## **Alcohol and Illegal Drug Policy**

1. LKS supports a zero-tolerance policy concerning underage drinking, excessive drinking or the use of illegal drugs. The possession, sale, use or consumption of alcoholic beverages during a Fraternity event, in any situation sponsored or endorsed by the chapter, or in any event an observer would associate with the Fraternity, must be in compliance with any and all applicable laws of the state, province, county, city and institution of higher education, and must comply with the below mentioned guidelines. It is the chapter's responsibility to ensure that any events involving alcohol adheres to the guidelines of the college or university.
2. No alcoholic beverages shall be served to, sold to, or purchased for any minor (those under legal drinking age) by any member of the Fraternity.
3. It is the chapter's responsibility to ensure that any event involving alcohol adheres to the guidelines of the college or university. No alcoholic beverages may be purchased with chapter funds nor may the purchase of same for members or guests be undertaken or coordinated by any member in the name of, or on behalf of, the chapter. The purchase or use of a bulk quantity or common source of alcoholic beverage (e.g. keg) is prohibited.
4. Hosting an open party, meaning those gatherings with unrestricted access by non-members of the Fraternity, without specific invitation, where alcohol is present, is forbidden.
5. The possession, sale or use of any illegal drug or controlled substances during a Fraternity event, or any event that an observer might associate with the Fraternity, is strictly prohibited.

## **Hazing**

1. LKS strictly prohibits any form of hazing by any initiated member or new member. Hazing activities are not compatible with the mission and traditions of the Fraternity and reflect negatively on the organization.
2. New member programs should focus on the history of the Fraternity and chapter and include the standards expected of members that do not demean, embarrass or endanger any member or potential member. Activities that are considered hazing are any activities that produce mental or physical discomfort, embarrassment, harassment or ridicule of a new or initiated member. They are also activities that are not consistent with academic achievement, fraternal law, LKS ritual or policy or the regulations and policies of the educational institution or applicable state law.
3. Chapter members that do not follow this policy will be placed on probation from Fraternity events and member privileges. Further consequences may include the revocation of membership and/or the chapter's charter as deemed necessary by Grand Council.

## **Sexual Abuse and Harassment**

LKS will not tolerate or condone any form of sexually abusive behavior on the part of its members, whether physical, mental or emotional. This includes any actions which are demeaning to women or men.
